

# 2026 Fees

Due to the ongoing increase in inflation and operating costs, we have had to implement a summer fee and a re-enrollment fee. We have worked hard to minimize the impact on our families while ensuring we can continue to meet the needs of our preschool and provide the quality care and education your children deserve.

We are truly grateful for your continued support of our preschool. Without you, we would not be able to do what we do. Thank you for being such an important part of our preschool family.

## Just a reminder!

- The total supply fee for the school year (excluding summer) is \$100 per child. This is split into two payments: \$50 drafted in August and \$50 drafted in February.
- If your child will be staying for summer care, the summer supply fee is \$50 per child or \$75 per family and will be drafted with May billing.
- In addition, a \$50 re-enrollment fee per child will be drafted in July.
